

From the Desk of Mrs. Bannon -

We thank the CYO Boys Basketball team for giving us another great season. Congratulations go to Mr. King and Mr. Perrotta's intramural basketball teams. They came out on top with two spectacular games. We had a weekend of basketball that was equal to the NBA. The excitement of the games just permeated the gym! The girl's game went right down to the wire and they won in the last seconds of the game!!

We are now starting our baseball and softball season. Our first boys game will be played in Freehold against St. Rose of Lima. The girls will be playing at Cheesequake Fields against St. James. These games are both on Wednesday, April 2nd at 3:30pm.

We look forward to seeing many of our families at the games supporting our teams.
