

# S.A.S. Connections

December 12, 2007

Dear Parents and Students of St. Ambrose School,

The second week of Advent is upon us! Time is moving so quickly. Many thanks to the H.S.A. for their wonderful Elf Shop this week. Students were happy to buy gifts for their families. Thanks also go to the many parents who volunteered to help out. Please, parents, do not forget your service hours obligations. The school needs your support!

This Friday many parents will take advantage of the cool Parents Night Out program run by the H.S.A. Enjoy the free time to shop and get things done, parents! Our students will have a great Friday evening of games and goodies.

Next Tuesday, the H.S.A. is sponsoring an assembly called "Safety Awareness." There will be two sessions, one for grades Pre-K through four, and another for the upper grades.

Next Wednesday, we shall have a special dress down day where students can wear pajamas. Please read the note on the back of this SAS.

Next Thursday, Progress Reports will be given to all students in grades one through eight. Please read them carefully. Students should not be missing homework assignments. Please discuss concerns over test scores with the appropriate teacher.

Finally, we would like to invite everyone to attend the first grade Christmas Show on December the 17th. Our first graders have been practicing very hard for Monday night's show at 7 PM. It will be a beautiful and festive performance with our Glee Club providing beautiful seasonal music.

On behalf of the teachers of staff and St. Ambrose School, I wish everyone a blessed week.  
Sincerely,

Joseph W. Norris   
Principal of St. Ambrose School
