

*Please Note!*

*When a winter snow warning or weather emergency is in effect for our area the following policies apply –*

- *Saint Ambrose School follows the guidelines of the Old Bridge Board of Education. If Old Bridge schools are closed, St. Ambrose School is also closed.*
- *Please watch and listen to NJ News12 or CBS news (channel 2). All information regarding school closings or early dismissals will be listed there.*
- *If there is an early dismissal caused by weather conditions, every attempt will be made to contact the parents. Please do not call the school with inquiries as the phone lines do get tied up and this slows down the calling process. After-Care will also attempt to close early in an emergency. Please make sure that emergency contact numbers are up to date.*

*The Home School Association does attempt to reach all parents in the case of an emergency, but this is a courtesy. There are times when for many reasons, parents can not be reached by phone. Please be sure that if there are any changes in your emergency contact numbers, the proper people have been notified.*

*Thank you for your cooperation. Stay warm and enjoy the snow!*
