

Dear Parents,

It's that wonderful time of the year – Valentine's Day! At this special time, we would like to ask for your help in honoring our Veterans. We have several relatives of our students and staff currently serving in Iraq. In lieu of adopting a special Veteran for Christmas, we would like to celebrate Valentine's Day by remembering our troops in Iraq. Two Marines are Mr. Delaney's cousins. One Soldier is Mrs. Penny's nephew and another Servicewoman is from our Parish. Please help us to show our love and support. Items requested are: disposable cameras, candies, gums, unscented sunblock, chap stick, telephone cards, and pet flea collars, (our troops put them on their wrists and ankles to repel sand flies and fleas). They have also requested coloring books and crayons for the children of Iraq.

There will be a large box on the main floor center hall for donated items. Pictures of our servicemen and woman will be posted so that you may see who they are and keep them in your prayers and hearts.

May God bless our St. Ambrose families. May He keep our troops safe and bring them home soon!

Thank you for your cooperation. Happy Valentine's Day!

Sincerely,  
Mrs. Vorsky  
Mrs. Hareslak  
Mr. Delaney
