

News from the Sports Department

The sports department has purchased a new console for our scoreboard. Anyone who has attended our last couple of games will know why this was so necessary. Thank you to all who support our kitchen since that is where we are able to raise the money for all our sports projects.

We have also ordered our trophies for our intramural basketball champs. Congratulations!

Congratulations also go to the Track Team and our Cheerleaders. Both teams have done well in their competitions and we are proud of them.

The dates for our field day this year have been chosen.

First through Fourth Grade will be May 22nd.

Fifth through Eighth Grade will be May 29th.

Thank you for all your help throughout the year.

Mrs. Bannon
