

## “BOX TOPS FOR CASH” WINNERS!

And the winners are...

1<sup>st</sup> Place – 6<sup>th</sup> Grade

2<sup>nd</sup> Place – 3<sup>rd</sup> Grade

Congratulations to our 6<sup>th</sup> and 3<sup>rd</sup> graders for collecting the most Box Tops during this year and winning an ice cream party which will be held on Friday, May 29! All grades have raised **more than \$1,500 this year** for our school by clipping Box Tops! We want to extend a special “thank you” to all the families that participated and to Mrs. Kathy Fehl for spearheading this program for us.

Please continue to clip those Box Tops during the summer and to send them into school in the fall. Why not ask your grandparents, aunts, uncles and other relatives to help raise funds for our school by clipping their Box Tops. Remember to indicate the student(s) name(s) and grade(s) when sending in the Box Tops so that the correct grades are credited. We'll have more fun contests in the fall.

## TYSON FOODS

Please note that we will also begin collecting Tyson food labels in September whereby we will receive 24 cents for every label submitted. So, please clip the Project A+ logo from their foods over the summer to send into school in the fall. Ask your relatives to help with this too and indicate the student(s) name(s) and grade(s) when sending in the labels so that the correct grades are credited. More details to follow.

Thank you, as always, for assisting the St. Ambrose H.S.A.

## RECYCLING REMINDERS

To help our environment, we continue to recycle:

- ❖ crayons;
- ❖ empty glue bottles with the #1 or #2 recycling symbol;
- ❖ empty glue sticks;
- ❖ used ink cartridges; and
- ❖ Crocs™ shoes (new to our list) (see below).

You may send in these items from home for us to recycle. Containers are available in the school office for students to put these recyclables.

### SolesUnited<sup>SM</sup> Program Shoe Collection

At the recommendation of Paul Weinhofer, one of our fourth graders, St. Ambrose School will participate in the Crocs SolesUnited<sup>SM</sup> recycling program and act as a collection point for worn-out Crocs™ shoes which will then be returned to the Crocs SolesUnited<sup>SM</sup> program for recycling.

Crocs, Inc. is committed to social responsibility through environmental and humanitarian efforts. SolesUnited<sup>SM</sup> is dedicated to recycling worn-out Crocs™ shoes and making them into new shoes for donation to people in need.

So, if you're a Crocs™ wearer, and don't know what to do with an old pair you want to get rid of, send them into school. "Wear a pair, share a pair" by placing your worn-out Crocs™ shoes in the collection bin in the school office for recycling.

Crocs has pledged to produce millions of pairs of shoes for the SolesUnited<sup>SM</sup> program.

Paul and the H.S.A. thank you in advance for your participation in this program.

***The H.S.A. would like to personally thank Paul for taking the initiative to bring this program to our attention. Through Paul's work, we will be able to help others in need. Way to go, Paul!***
