

Earlier this month, the HSA sold crosses for our Family Fund. The Family Fund helps out St. Ambrose families in times of need. The crosses were originally being sold during Easter. After receiving additional requests, we have decided to continue selling them. It was suggested that the crosses remain during May and June for Mother's Day and Father's Day. They are being displayed in the school hallway. The crosses are to remember a loved one. Each cross is \$10 and worded "In loving memory of _____." Prayers will be offered by the children for all loved ones remembered .

Thank you for your support of the HSA Family Fund.

Each cross is approximately 10" high and blue in color. You can choose to honor an individual or family.

Please fill in the bottom and return it to the HSA in an envelope marked "HSA Family Fund." Make checks payable to St. Ambrose HSA.
